SIR,

Adverting to Government Notification No. L. 3039-Ml.41-32-17 dated the 31st October 1932, published on page 898 of the Mysore Gazette dated the 31st October 1932, calling for objections if any, regarding the acquisition of 4 acres and 36 guntas of land out of survey No 38 of Anchalli Inam Village, Bhadravati Hobli, Shimoga Taluk, required for the Bhadravati Town extension, I have the honour to state that the said notifications were duly published in the Village and the marginally noted persons have preferred objections against the acquisition of the land. The objections put forward by Mr. Mahamed Hayath Sab, the Arubhavadar of the land are: that he has invested a large sum of money for the improvement of the land for building purposes besides paying a heavy sum of Rs. 450/- towards its purchase, that he intends to give a portion of the rent from the Building proposed to be built thereon by him at a great cost, for the maintenance of the two Masjids in the Town, that the present acquisition is not absolutely necessary, as there are other lands to be acquired in preference to

(i) Mr Mahomed Hayath Sab, Anubhavadar of the land
(ii) Certain Mahomedan residents of the Bhadravati Town- Messrs Abdul - Kareem, Contractor and others
(iii) Rangaih son of Kariyappa, President of Bhadravati
(iv) Somayya son of Deraji Rao President of Bhadravathi
(v) Thimmanna son of Lakkappa President of Bhadravathi
(vi) Giriyanna son of Ranganna Bhadravati
(vii) Bilaki Rangaih son of - Dasappa, Bhadravathi.
(viii) Hanumanthiya bin Ganganna Bhadravathi
(ix) Vittoba son of Dhagadoba Bhadravathi

this and that it would cause great hardship to him and affect the income of the Masjids

The objections put forward by the other Mahomaden residents are that the acquisition of this property would affect the income of their Masjids.

The Assistant Commissioner in charge of the Shimoga Sub Division, who has made a personal inspection of the spot on the 27th February 1933, reports in his letter No.Ac.139-68/31-32 dated the 28th February 1933, that the objections have been put forward with a view to avoid acquisition proceedings being taken and they are not tenable and that the acquisition proposed is necessary.

The other persons who are also objecting to the acquisition of the land have stated in their applications that in case the acquisition is absolutely necessary, a compensation at the rate of Re 1/- per square yard of building site and Re.1/8/- per square yard for the garden portion may be awarded to them, as they are the real owners and that the Anubhavadar Mahamed Hayath Sab mentioned in the preliminary notification is not the real owner. Mr S.V. Krishna Rao, who is said to have some interest in the Vritti lands has given an application on the 20th November 1932, stating that Hayath Sab has no right on the land and that he is a tress-passer and that action would be taken to eject him He states further that the land in question forms part of the Vritti in the name of Bagur Krishnappa and not in the name of Malinga-Bhatta; as wrongly published in the Notification. These points will be considered by the Land Acquisition Officer at the time of passing the award

As the acquisition of this land is necessary for the Bhadravati Town extension, I request you to obtain sanction of Government to the acquisition of the property under Sections 6 & 7 of the Land Acquisition Regulation and to appoint the Assistant Commissioner in charge of the Shimoga Sub Division, to perform the functions of a Land Acquisition Officer and to take orders for the acquisition of the land
